Authorizing the execution of an agreement with the City of Coronado for repayment of State motor vehicle and cigarette taxes, which were paid to the City of Coronado and not sent to the City of San Diego.

CITY MANAGER SUPPORTING INFORMATION: The City of San Diego and the City of Coronado discovered during a review that \$498,861.09, to which San Diego is entitled from State motor vehicle and cigarette taxes, should be paid to San Diego due to litigation in 1986 over entitlement to state subventions from a census tract in San Diego Bay where U. S. Navy personnel are stationed on ships. The taxes were paid to Coronado and not sent on to San Diego. We have negotiated an agreement under which Coronado will pay the City of San Diego these funds over a period of seven years, with 6 percent interest (a total of \$691,593.07). The Coronado City Council has approved the agreement. The City Manager recommends San Diego City Council approval.
